Be Active

Learn to fly a RC plane on one of many instructor nights.

Be Playful

Attend free events and join in the fun. Bring the whole family. We are known to give out treats for the kids. :-)

Be Restful

Pull up a lawn chair and relax while taking in a RC Air Show at our Cook County Forest Preserve.

Live Healthy and Discover Nature

We are an AMA Chartered Club - Chapter #263.

Since 1964 with the help of Forest Preserves of Cook County our goal is to provide a forum for club members in Chicago's South Suburbs to exchange ideas and benefit from one each others experiences with the hobby of building and the sport of flying radio controlled model aircraft.
